

NCI CARES

# Niverville Collegiate Institute

## COMMUNITY REPORT 2015-2016

### Our Mission

Niverville Collegiate's staff and students are committed to working co-operatively within the community to develop well-rounded, life-long learners in a safe, respectful and positive learning environment.

Principal: Michael Koester Vice Principal: Craig Cumming Box 188 Niverville, MB R0A 1E0

#### Priority Area #1 - To improve learning through focus on numeracy.

**Initiatives:** 1. Strong Connections provided time for benchmark math assessments 2. Numeracy continuum of essential learning outcomes 3. Numeracy Support teacher supported and supplemented student learning 4. Math Club provided a place for extra practise and tutoring 5. Canadian Math contest provided opportunity for enrichment 6. TTFM survey allowed student voice to speak to numeracy goals.

#### Priority Area #2- To improve learning through focus on literacy.

**Initiatives:** 1. Strong Connections provided time for reading interviews with classroom teachers; benchmark reading and writing assessments; and listening skills activities. 2. Literacy Lab provided levelled books for guided reading, classroom literature circles, cross-curricular support, and teacher resources. 3. "I Love to Read" month activities promoted literacy 4. Literacy Support teacher led Guided Reading groups 5. Manitoba Young Readers Choice Awards (MYRCA) reading program

#### Priority Area #3- To develop global citizenship skills through Education for Sustainable Futures (ESF).

**Initiatives:** 1. SY and MY students built healthy working relationships: SWAG, SWAT, and Student Council. 2. Partnered in Social Responsibility and Philanthropy programs: Helping Hands Christmas Hamper fundraiser, WE Day, Terry Fox fundraiser, Provincial SWAT program, Out of the Blue bake sale fundraiser for the Imagine campaign, Town Clean-up, Plastic bag recycling program, Fair Trade Festival, Hoodies for Homeless, and various Global Citizenship 40S Take-Action Projects
